

REMARKS

This paper is in response to the official action of May 3, 2007, which set forth a restriction requirement between device claims 1-21 (Group I), and magazine claims 22-26 (Group II).

By the foregoing, claims 22-26 have been cancelled and the title has been amended accordingly. Applicants elect the claims of Group I for prosecution.

This paper is timely filed, as it is accompanied by a Petition for Automatic Extension of Time to file in the second month, and the requisite fee.

An early and favorable action on the merits is solicited.

Dated: July 6, 2007

Respectfully submitted,

By
